The Supreme Court of Ohio

The Supreme Court of Ohio is pleased to issue the 34th Ohio Courts Summary, a statistical report of the activities of the Ohio court system. For the second year, the Summary includes the Supreme Court Annual Report.

The 1990 Ohio Courts Summary provides a statistical report on the level of activity in Ohio courts. A total of 3,144,293 cases were filed; 2,557 in the Supreme Court; 10,721 in the courts of appeals; 613,397 in the courts of common pleas; 2,247,716 in the municipal courts; 268,830 in the county courts, and 1,072 in the Ohio Court of Claims.

The year 1990 is the beginning of a period of transition. New Rules of Superintendence adopted by the Court in 1989 are reflected for the first time in this report. When the transition is completed, we will have a more accurate, consistent, and relevant court statistical reporting system.

The Ohio Courts Summary will be useful to the judges, lawyers, court personnel, and others involved in Ohio's judicial system, and it will keep the citizens of Ohio informed as to how their system is serving them.

This report is a reflection of the dedication and commitment of our judges and court personnel. We appreciate their participation in the preparation of this report. Together, we will continue to maintain excellence in the administration of justice in Ohio.

SUPREME COURT OF OHIO

The Supreme Court of Ohio is established by Article IV, Section 1 of the Ohio Constitution, which provides that: "The judicial power of the state is vested in a supreme court, courts of appeals, courts of common pleas and divisions thereof, and such other courts inferior to the supreme court as may from time to time be established by law."

Article IV, Section 2 of the Constitution sets the size of the court at seven, a chief justice and six justices, and outlines the jurisdiction of the Court.

The Supreme Court is the court of last resort on questions of Ohio law and the Ohio Constitution. Most of its cases are appeals from the 12 district courts of appeals. The Court may grant leave to appeal criminal cases from the courts of appeals and may direct a court of appeals to send cases (certify the record) that are found to be "of public or great general interest."

The Supreme Court is required to accept appeals of cases that originated in a court of appeals, cases in which the death penalty was imposed, cases involving an interpretation of the United States Constitution or the Ohio Constitution, and cases in which a court of appeals opinion conflicts with a decision from another court of appeals. The Supreme Court also must accept appeals from the Board of Tax Appeals and the Public Utilities Commission.

The Supreme Court has original jurisdiction for certain special remedies that permit a person to file an action in the Supreme Court. These extraordinary remedies include writs of habeas corpus (involving the release of persons allegedly unlawfully imprisoned or committed), writs of mandamus (ordering a public official to perform a required act), writs of procedendo (ordering a lower court to proceed to judgment), writs of prohibition (ordering a judicial or quasi-judicial officer to cease an unlawful act), and writs of quo warranto (alleging usurpation, misuse, or abuse of public office or corporate office or franchise).

The Supreme Court also may grant leave to appeal in cases involving contested elections. This is the only instance in which an appeal may be taken directly from the court of common pleas to the Supreme Court, bypassing the court of appeals.

The Supreme Court adopts rules governing practice and procedure in Ohio's courts, which must be filed with the General Assembly. These rules become effective unless both houses of the General Assembly adopt a concurrent resolution of disapproval. The Supreme Court also exercises general superintendence over all state courts through its rule-making authority. The rules of superintendence set minimum standards for court administration. Unlike procedural rules, rules of superintendence do not have to be submitted to the General Assembly to become effective.

The Supreme Court is responsible for the admission of attorneys to the practice of law in Ohio and has authority for the discipline of judges and attorneys for violation of their respective codes of conduct. The Court also is responsible for monitoring and preventing the practice of law by persons not admitted to the practice of law.

The Chief Justice has the authority to assign judges to courts for temporary duty when the court has an unusually heavy volume of cases; a judge has been removed from a case because of bias, prejudice, or interest; or a judge has removed himself or herself from a particular case.

The Chief Justice and six justices are elected in even-numbered years to six-year terms on a nonpartisan ballot. A person must be an attorney with at least six years experience in the practice of law to be elected or appointed to the Supreme Court. The Governor makes appointments to fill vacancies on the Supreme Court that occur between elections.

COURTS OF APPEALS

The courts of appeals are established by Article IV, Section 1 of the Ohio Constitution, and their jurisdiction is outlined in Article IV, Section 3. As intermediate level appellate courts, their primary function is to hear appeals from the common pleas, municipal, and county courts. Each case is heard and decided by a three-judge panel.

The state is divided into 12 appellate districts by Article IV, Section 3 of the Ohio Constitution and section 2501.01 of the Revised Code. Each district is served by a court of appeals that sits in each of the counties in that district. The number of judges in each district depends on a variety of factors, including the court's caseload and the size of the district. The number of judges in each district varies from three to nine.

In addition to appellate jurisdiction, the courts of appeals have original jurisdiction, as does the Supreme Court, to hear applications for writs of habeas corpus, mandamus, procedendo, prohibition, and quo warranto. The Tenth District Court of Appeals in Franklin County also hears appeals from the Court of Claims.

In 1990, there were 59 court of appeals judges. Court of appeals judges are elected in even-numbered years to a six-year term on a nonpartisan ballot. Appellate judges must be attorneys with at least six years experience in the practice of law. The Governor makes appointments to fill vacancies in courts of appeals that occur between elections.

THE COURT OF CLAIMS

The Court of Claims, created by the General Assembly in 1975 by Chapter 2743 of the Revised Code, is the only statutory court in Ohio with statewide jurisdiction. The Court of Claims has exclusive jurisdiction in all civil actions against the State of Ohio, and has jurisdiction to administer claims for compensation from victims of crime. Judges of the Court of Claims must be incumbent or retired justices or judges of the Supreme Court, courts of appeals, or courts of common pleas, and sit by temporary assignment of the Chief Justice of the Supreme Court.

COURTS OF COMMON PLEAS

The courts of common pleas, the only trial courts created by the Ohio Constitution, are established by Article IV, Section 1 of the Constitution. The jurisdiction of courts of common pleas is outlined in Article IV, Section 4.

There is a court of common pleas in each of the 88 counties. Courts of common pleas have original jurisdiction in all criminal felony cases and all civil cases in which the amount in controversy exceeds $500. Courts of common pleas have appellate jurisdiction over the decisions of some state administrative agencies.

Most courts of common pleas have specialized divisions created by statute to decide cases involving juveniles, probate matters, and domestic relations matters. Only seven counties have courts of common pleas with no specialized divisions: Adams, Harrison, Henry, Morgan, Morrow, Noble, and Wyandot counties.

Domestic Relations Division

The domestic relations divisions of the courts of common pleas exist in most counties together with another division. However, Butler, Clermont, Cuyahoga, Greene, Hamilton, Lake, Lucas, Mahoning, Montgomery, Portage, Summit, and Warren counties have separate domestic relations divisions. All domestic relations divisions have jurisdiction over proceedings involving divorce or dissolution of marriage, annulment, separation, spousal support, child support, and visitation, and the allocation of parental rights and responsibilities for the care of minor children.

Probate Division

The Ohio Constitution of 1851 provided that probate courts were to be established as separate independent courts with jurisdiction over the probate of wills and supervision of the administration of estates and guardianships. In 1968, under the Modern Courts Amendment of the Ohio Constitution, the probate courts became divisions of the courts of common pleas. Probate divisions also have jurisdiction over the issuance of marriage licenses, adoption proceedings, determination of sanity or mental competence, and certain eminent domain proceedings.

Juvenile Division

Juvenile divisions are branches of either the probate or domestic relations division of courts of common pleas in all counties except Butler, Cuyahoga, Hamilton, Lake, Lucas, Mahoning, Montgomery, and Summit counties, in which there are separate juvenile divisions of the court of common pleas.

Juvenile divisions hear cases involving persons under 18 years of age, and cases dealing with unruly, abused, dependent, and neglected children. Juvenile courts also have jurisdiction in adult cases involving paternity, child abuse, nonsupport, contributing to the delinquency of minors, and the failure to send children to school.

In 1990, there were 344 common pleas judges in Ohio. Of these, 122 had general jurisdiction only; 88 had general and domestic relations jurisdiction; seven had general jurisdiction plus domestic relations, probate and juvenile; 19 had domestic relations jurisdiction only; 13 had domestic relations and juvenile jurisdiction; 14 had juvenile jurisdiction only; 15 had probate jurisdiction only, and 67 had probate and juvenile jurisdiction.

Common pleas judges are elected to a six-year term on a nonpartisan ballot. A person must be an attorney with at least six years experience in the practice of law to be elected or appointed as a common pleas judge. The Governor makes appointments to fill vacancies in courts of common pleas that occur between elections.

MUNICIPAL AND COUNTY COURTS

Municipal and county courts are created by the General Assembly in Chapters 1901 and 1907 respectively of the Revised Code. The territorial jurisdiction of municipal courts is established by statute; county courts serve areas of a county that are not served by a municipal court.

The subject matter jurisdiction of municipal and county courts is nearly identical. Both municipal and county courts have the authority to conduct preliminary hearings in felony cases and jurisdiction over misdemeanors. These courts also have limited civil jurisdiction. The municipal courts may handle civil cases in which the amount in controversy does not exceed $10,000; county courts may handle civil cases where the amount in controversy does not exceed $3,000.

When justices of the peace were eliminated by Ohio law, municipal and county courts assumed their duties. Therefore, municipal and county court judges are the only judges, other than probate judges, who may perform marriages.

In 1990, there were 118 municipal courts with a total of 199 judges, and 50 county courts with a total of 60 judges. Municipal court judges are elected to six-year terms on a nonpartisan ballot and serve either full- or part-time, depending on the caseload and size of the district. Municipal court judges may have jurisdiction in one or more municipalities, in adjacent townships, or throughout the entire county. A county court judge is elected to a six-year term on a nonpartisan ballot. All county court judges serve part-time.

Municipal court judges must be attorneys with at least six years experience in the practice of law. County court judges must be attorneys with at least two years experience in the practice of law. The Governor makes appointments to fill vacancies in municipal and county courts that occur between elections.

MAYOR'S COURTS

Mayor's courts are statutory courts created pursuant to Chapter 1905 of the Revised Code. Mayor's courts have jurisdiction to hear any prosecutions for the violation of an ordinance of the municipal corporation, the violation of a vehicle parking or standing ordinance of the municipal corporation unless the violation is required to be handled by a parking violations bureau, and violations occurring on a state highway located within the boundaries of the municipal corporation. The jurisdiction of a mayor's court over drug or alcohol related traffic offenses is limited to first time violations.

The elected or appointed mayor of a municipal corporation has authority to act as the presiding officer of the municipal corporation's mayor's court or, pursuant to section 1905.05 of the Revised Code, may appoint a mayor's court magistrate to preside. In addition, mayors who operate a mayor's court must comply with annual educational requirements established by the Supreme Court pursuant to section 1905.03 and 1905.031 of the Revised Code.

Determinations of a mayor's court may be appealed to the appropriate municipal or county court. An appeal proceeds as a new trial in the municipal or county court.

In 1990, there were approximately 500 mayor's courts.

Mayor's courts are not governed by rules of superintendence adopted by the Supreme Court and, therefore, are not required to file case activity reports.

THE SUPREME COURT OF OHIO

ANNUAL REPORT

1990

INTRODUCTION

The year 1990 was another active and productive year for the Supreme Court of Ohio. The year included: (1) a record 2,557 new cases filed in the Supreme Court; (2) the reelection of two members of the Court; (3) the first State of the Judiciary address by the Chief Justice to the General Assembly; (4) important initiatives in the war against drugs; (5) the continuation of innovative programs in dispute resolution and court technology; (6) the amendment or adoption of 20 Supreme Court rules, and amendments to the Rules of Criminal Procedure and Rules of Evidence; (7) a statewide Bench-Bar Conference; (8) the announcement of an effort to assist emerging democracies in Eastern Europe and the Soviet Union to develop independent judicial systems; and (9) significant activity by ten standing committees and offices, eight special committees, and three committees created as a result of recent legislation.

THE SUPREME COURT

Membership

Justice Andy Douglas and Justice Craig Wright were reelected to six-year terms on the Court commencing in 1991. They have served on the Court since 1985.

Caseload Statistics

A record 2,557 cases were filed in 1990, including 313 original actions, one contest of a statewide election, five federal court certifications of state law questions, 92 disciplinary matters, three admissions matters, and 2,143 appeals, as follows: 1,234 motions to certify the record, 638 motions for leave to appeal, 160 direct appeals, 32 certified conflicts, 48 appeals from the Board of Tax Appeals, 13 appeals from the Public Utilities Commission, and 18 capital cases.

For additional statistical information, see Appendices A through E.

KEY ISSUES AND EVENTS OF 1990

Substance Abuse Issues for the Courts

In January, the Supreme Court Committee to Study the Impact of Substance Abuse on the Courts issued a final report containing 27 recommendations designed to assist Ohio courts in dealing with the growing substance abuse crisis. The recommendations were grouped in four categories: civil cases, criminal cases, juvenile courts, and jail crowding.

By the end of 1990, 18 of the Committee's 27 recommendations were fully or partially implemented by judicial, legislative, or executive action. The implemented recommendations include:

- requiring each court to develop and implement a case management program to assist in the timely disposition of cases;
- allowing courts to use magistrates to preside over certain stages of the criminal process for the purpose of making judges available for trials and administering dockets;
- providing courts with more information regarding available treatment programs to which defendants may be referred and the success of those programs;
- establishing the State Criminal Sentencing Commission to review existing laws, sentencing patterns, and existing and planned prison facilities, and make recommendations on a revised sentencing structure;
- requiring increased training for judges on the unique problems of the juvenile substance abuse offender;
- allowing courts to mandate parental responsibility and involvement in the treatment and probation of juvenile offenders, and permitting the sharing of information regarding problem juveniles among local agencies;
- encouraging the establishment of local task forces to facilitate coordination and cooperation among the justice, treatment, and education communities, and to provide a comprehensive, local approach to substance abuse problems;
- increasing the availability and use of incarceration alternatives for nonviolent substance abuse offenders, including specialized facilities that combine treatment and incarceration, and the use of electronically-monitored house arrest and intensive, supervised probation.

In May, Chief Justice Moyer met with United States Attorney General Richard L. Thornburgh to encourage him to direct more federal drug control funds to state courts. This followed an earlier meeting with William J. Bennett, Director of the Office of National Drug Control Policy.

Committee on Dispute Resolution

In 1989, Chief Justice Thomas J. Moyer announced the appointment of the Supreme Court Committee on Dispute Resolution. He directed the Committee to investigate alternative, complementary dispute resolution methods that would be efficient and satisfactory to the parties involved, and to explore different processes to resolve disputes that normally are tried in the court system. The Chief Justice has indicated that he expects proposed rules to "begin to weave dispute resolution into the fabric of our judicial system."

The Committee concluded that model projects should be tested and current programs evaluated prior to making recommendations to the Court. The Committee received five grants totaling $127,000 from the Ohio Commission on Dispute Resolution and Conflict Management, and model projects were established in domestic relations, juvenile, and municipal courts.

The model projects include:

-- Municipal Court Mediation Project -- This project to provide small- and medium-sized courts with low-cost mediation programs began in Cambridge, Lancaster, Marietta, and Zanesville. A project coordinator began to recruit and train mediators, create case referral systems, train court employees on the intake process, and build community support for the programs. An implementation manual will be developed to assist other courts in creating low-cost mediation programs.

-- Domestic Relations Custody and Visitation Mediation Project -- With the assistance of the Summit County Court of Common Pleas, Domestic Relations Division, and the University of Akron, the Committee established a program for mediation of custody and visitation issues. The program provides trained, in-house mediators for indigent parties and other cases assigned by the court; the program also refers cases to private mediators based on the parties' ability to pay. The goals are to encourage mediation of issues affecting children and compare the satisfaction of the parents and children with mediation to a resolution ordered by a court.

-- Juvenile Court Mediation Program -- The Committee, in cooperation with the Dayton Neighborhood Mediation Center and the Montgomery County Court of Common Pleas, Juvenile Division, has funded a pilot project to mediate juvenile assault cases and determine whether mediation is an effective alternative in juvenile courts.

The Committee also will evaluate several existing programs to determine whether they should be adopted by other Ohio courts, consider rule changes, and recommend to the Court methods to increase the use of dispute resolution throughout the state.

Court Technology

In January, the Supreme Court created the Office of Court Technology and Services in response to a recommendation from the Advisory Committee on Court Technology. In addition to providing computer services and staff support to the various departments of the Supreme Court, the Office is responsible for promoting the appropriate use of information technology in the Ohio court system.

The first major project of the Office was the Ohio Court Technology Conference, the first technology conference in the nation sponsored by a state supreme court. The Conference included 17 sessions dealing with various aspects of technology and 22 exhibits. The 204 attendees included judges, clerks of court, and court staff from a variety of courts throughout Ohio.

The Office received a $43,857 grant to finance the first phase of the Juvenile Data Network, to identify the most appropriate uses of information technology in the juvenile courts and promote the electronic exchange of information among various state and local agencies in the juvenile justice system.

The Office developed and demonstrated personal computer software that incorporates the key elements of case management: (1) tracking case-related data; (2) scheduling cases; (3) tracking outstanding motions; (4) maintaining attorney information; and (5) assisting in the preparation of statistical reports. The software will be installed in several test sites early in 1991.

The staff also designed and installed a computerized system to track the issues in cases pending before the Supreme Court. In 1991, this system will be available to Supreme Court justices and staff and judges and staff of the courts of appeals.

The Office began planning for "Project Benchmark," to develop a long-term strategy for the use of technology and the electronic exchange of information in the judicial system.

The programming staff created a system to capture and process data submitted to the Court Statistical Reporting Section on the revised reporting forms introduced in January. The first compilation of statewide statistics from this system will be produced in early 1991.

State of the Judiciary

On February 14, Chief Justice Moyer delivered a historic first State of the Judiciary address to a joint convention of the Ohio General Assembly. Chief Justice Moyer said that the occasion characterized the spirit of cooperation and mutual respect that exists between the two independent branches of government.

In his address, the Chief Justice reported on recent Supreme Court initiatives. He called upon the General Assembly to provide courts with more tools in the battle against substance abuse, especially in the growing area of juvenile crime, and asked the General Assembly to provide additional jail and prison facilities so that there are "no safe harbors for drug abusers and traffickers in Ohio."

Bench-Bar Conference

On September 6, the Supreme Court, Ohio Judicial Conference, and Ohio State Bar Association sponsored a statewide Bench-Bar Conference, "Justice System at the Crossroad: Challenge of the 90's." The Conference provided nearly 300 judges and attorneys with an opportunity to discuss common concerns and to seek ways of making the justice system more efficient and effective. United States Solicitor General Kenneth Starr was the keynote speaker.

RULES AMENDED OR ADOPTED IN 1990

In 1990, the Supreme Court amended or adopted 20 Court rules and amendments to the Rules of Criminal Procedure and Rules of Evidence. The full text of each proposed and final rule amendment was published in the Ohio Official Reports Advance Sheets and the Ohio State Bar Association Report; the publication and effective dates are listed in Appendix F.

Rules of Practice and Procedure

Section 5(B), Article IV of the Ohio Constitution provides that changes in rules governing practice and procedure must be submitted by the Supreme Court to the General Assembly not later than January 15. If no action is taken by July 1 of that year, the rules become effective on that date.

In January, the Supreme Court adopted and submitted to the General Assembly amendments to Rules 2, 4, 5, 10, 19, 46, and 59 of the Rules of Criminal Procedure and Rules 101 and 1102 of the Rules of Evidence. These amendments, which were adopted in response to recommendations by the Supreme Court Committee to Study the Impact of Substance Abuse on the Courts, authorized the use of magistrates to handle preliminary criminal matters in common pleas, municipal, and county courts. No action was taken by the General Assembly by July 1, 1990, and the amendments became effective on that date.

Rules Advisory Committee

The Supreme Court adopted Rule XII of the Rules for the Government of the Bar to establish the membership of the Rules Advisory Committee. Prior to adoption of the rule, the Committee had been established informally by order of the Court.

Committee to Study the Impact of Substance Abuse on the Courts

The Supreme Court adopted amendments to the Rules for the Government of the Judiciary and Rules of Superintendence proposed by the Supreme Court Committee to Study the Impact of Substance Abuse on the Courts. The amendments are outlined on page 2.

Judicial Bypass of Parental Notification in Abortion Cases

In response to a United States Supreme Court decision that upheld the constitutionality of Ohio statutes regarding procedures to obtain judicial bypass of parental notification in abortion cases, the Court adopted Rules of Superintendence and forms to implement those statutes.

Character and Fitness Review

Rule I of the Rules for the Government of the Bar was revised to require that all applications received from persons seeking admission to the Ohio bar by examination be submitted to the National Conference of Bar Examiners for a character investigation and report.

Continuing Legal and Judicial Education

The Supreme Court adopted several amendments affecting continuing education for lawyers and judges. Lawyer continuing legal education requirements were revised to exclude inactive lawyers from the reporting requirements of Rule X of the Rules for the Government of the Bar, clarify the continuing legal education requirements of suspended attorneys, require that substance abuse instruction be a minimum of 30 minutes in length, and prohibit the accreditation of continuing legal education courses that are held for the purpose of raising funds for political campaigns or candidates. The judicial continuing education requirements were revised to allow judges to satisfy the ethics and substance abuse requirement on a biennial, rather than an annual, basis.

Limited Practice Certification

The Supreme Court established a procedure under which non-Ohio attorneys who are employed by or associated with a legal services, law school clinical, or public defender program in Ohio can become certified to practice law temporarily in Ohio. The rule was adopted on an interim basis and is in effect until July 2, 1991, subject to further action by the Court.

Fee Splitting

At the request of the Ohio State Bar Association, the Supreme Court adopted amendments to Disciplinary Rule 2-107 and Ethical Consideration 2-21 concerning the division of fees between and among lawyers.

Standard Probate Forms

At the request of the Ohio Association of Probate Judges, the Court adopted new standard probate forms 18.2, 18.3, and 18.5.

Certification of Assigned Counsel in Capital Cases

Based on recommendations from the Committee on the Appointment of Counsel for Indigent Defendants in Capital Cases, the Supreme Court amended Rule 65 of the Rules of Superintendence for Courts of Common Pleas. The amendments strengthen the requirements for certification under the rule and clarify the role of the trial court and the Committee in monitoring the performance of assigned defense counsel in death penalty cases.

ADDITIONAL COURT ACTIVITIES

Report to the Ohio Judicial Conference

In his fourth report to the Ohio Judicial Conference on the state of the judiciary, Chief Justice Moyer announced a major initiative to assist the people of Eastern Europe and the Soviet Union in establishing independent judiciaries. The Chief Justice challenged the state's judges to "step outside our world and give the people of other civilized nations the gift of a democratic, independent, fair, and impartial judicial system . . . . Ohio, with its established ethnic communities, nine law schools, and a strong judicial system, is the ideal state to study our system for those persons in Eastern European countries who will be responsible for establishing their judicial systems." He said that during the recent meeting of the Conference of Chief Justices, he met with the Minister of Justice of the Soviet Union, who expressed interest in the program.

Chief Justice Moyer also announced that he will chair a joint committee of the Conference of Chief Justices and the Conference of State Court Administrators that will plan a national conference on the impact of substance abuse on the courts. The Conference goals are to foster communication, promote a common understanding of the drug crisis among all disciplines involved with the court system, and develop specific plans and long-term strategies that states may implement to address the issue of substance abuse in our society.

Off-Site Court Program

In 1990, the Court heard oral arguments in Gallipolis, Akron, Port Clinton, and Millersburg as part of the off-site court program; 1,070 students were part of a total attendance of 2,942 at these sessions. The program continues to emphasize education, with the focus on high school students, and includes meetings with editors and reporters from high school newspapers, related coursework, and briefings prior to and following oral arguments.

Since 1987, the Court has held sessions in Marietta, Toledo, Cincinnati, Cleveland, Warren, Lima, Youngstown, Canton, Wauseon, Ashland, and Dayton. During the four years of the program, 6,414 students have attended sessions as part of a total attendance of 9,294.

Youth Drug Summit

On June 14 and 15, the Supreme Court, together with the Governor, Attorney General, and legislative leaders, hosted the "**Y**outh **E**xpressing **S**olutions . . . For a Better World" conference on the substance abuse crisis. Chief Justice Moyer greeted 126 young adults who attended the two-day conference and encouraged them to express their solutions to the 24 state officials in attendance.

Court Education Activities

Eight groups of students from Capital University Law and Graduate Center, The Ohio State University College of Law, Toledo University College of Law, and the Ohio Northern University Pettit College of Law attended sessions of the Supreme Court.

The Supreme Court continued its support of the Ohio Center for Law-Related Education and the Ohio Mock Trial Program to foster educational programs on the judicial system. The Court provides financial support and is represented on the executive committee.

In April, the Supreme Court hosted the Youth in Government model Supreme Court program, with 60 high school students participating.

The Supreme Court continued its law student intern program with the Capital University Law and Graduate Center and The Ohio State University College of Law; 45 students participated during 1990. In addition, the Public Information and Administrative Director's offices sponsored interns.

For the fourth year, the Supreme Court participated in the Bench-Bar-Deans Conference sponsored by the Ohio State Bar Association to discuss legal education, admission to the practice of law, and other issues of common interest to Ohio law schools.

The Board also created a subcommittee to inform the bench, bar, and public of the Board's responsibilities and activities; evaluated the feasibility of seeking a rule amendment to permit the Board to issue advisory opinions; developed a procedure whereby the parties to a complaint can stipulate facts and waive an appearance before the Board; and issued its first written opinions detailing the basis of its decisions to further educate the bench, bar, and public of the types of activities that constitute the unauthorized practice of law.

More than 850 attorneys have been certified for appointment as counsel for indigent defendants in capital cases.

The Committee also issued its first report, advising the Court of the Committee's experience with the Rule and the status of representation for indigent defendants charged with capital offenses.

The Committee approved two continuing legal education seminars to fulfill the specialized training requirement of C.P. Sup. R. 65, continued to certify new applicants who met the requirements of the Rule, and removed the names of attorneys who had not fulfilled the two-year continuing education standards from the certification list.

In January, 17,150 attorneys were required to report the completion of at least twelve hours of continuing legal education. By March 31, 15,866, or 92.5 per cent, were in full compliance with Gov. Bar R. X. The level of noncompliance was below the Commission's original projection of 12 per cent, and represents a low percentage of noncompliance for the first report period compared to other states with continuing legal education requirements. In December, the Secretary filed the Commission's first report of noncompliance and recommendations of sanctions.

In addition, the Commission processed 8,300 applications for accreditation of continuing legal education activities from 1,900 sponsors, and considered 25 appeals from the Secretary's denial of accreditation. The College also conducted teleconferences to promptly inform judges and referees about newly-enacted legislation.

A two-day orientation program for newly-elected judges was conducted in December. The 45 judges in attendance were briefed on the activities of the Supreme Court, and experienced judges discussed various aspects of judicial responsibility.

SUPREME COURT SPECIAL COMMITTEES

Bar Examination Review Committee

Chairman: Justice Herbert R. Brown; Staff Liaison: Marcia J. Mengel

In 1989, Chief Justice Moyer appointed the Bar Examination Review Committee to study all aspects of the Ohio examination, review examination procedures used in other states, and, if appropriate, recommend revisions in the examination process.

In its December report to the Court, the Committee recommended restructuring the content, administration, and grading of the bar examination, to include scaling the grades given for the essay portion of the test and grading all essay answers for every candidate. This would nearly double the number of essay answers graded, and each bar examiner would be permitted to have an attorney grader to assist in grading.

The Task Force conducted a survey of local bar associations on their unauthorized practice of law activities, planned public hearings to be held throughout the state during 1991, gathered information from other states, and completed research on topics related to the unauthorized practice of law.

STATUTORY COMMITTEES

State Criminal Sentencing Commission

OFFICE OF THE ADMINISTRATIVE DIRECTOR

Stephan W. Stover, Administrative Director

Court Services Initiative

The Supreme Court has placed emphasis on service, support, and responsiveness to the trial and appellate courts. Since 1988, the program has included a variety of projects to provide information, technical assistance, and direct and indirect support to the trial and appellate courts.

Court Visitation Program

During the last three years, the Supreme Court staff has made more than 200 visits to 150 of the 269 courts in Ohio, to meet with judges, administrators, and other court personnel and to tour court facilities. These visits provide an opportunity to observe the programs that have been implemented in Ohio's courts. In 1990, the Court staff visited 71 courts.

Technical Assistance Program

In 1988, the Supreme Court, in conjunction with the National Center for State Courts, established the Technical Assistance Program to foster innovative programs and stimulate improvements in the administration of Ohio's courts. In 1990, the Program funded or provided direct technical assistance to 18 projects, with grants totaling $29,921; preference was given to projects with broad applicability, and the results were shared with other courts. An additional $15,000 of the Technical Assistance Program budget was allocated for court personnel education and training.

Examples of projects include:

- a two-day workshop sponsored by the Franklin County Municipal Court for Franklin County and central Ohio probation officers;
- a one-day conference sponsored by the Cleveland Municipal Court for judges and department managers, designed to increase communication and improve personnel management;
- the development of a policies and procedures manual for the Lucas County Court of Common Pleas.

Education and Training

Court Personnel Education and Training Committee

The Court Personnel Education and Training Committee consists of representatives of the Ohio Association of Court Administrators, Ohio Clerk of Courts Association, Ohio Association of Municipal Court Clerks, Ohio Bailiffs Association, Ohio Chief Probation Officers Association, Ohio Shorthand Reporters Association, and Ohio Urban Juvenile Court Administrators Association. Its purpose is to establish a formal program of education for court personnel.

In 1990, the Committee presented four different educational programs. In January, the Court hosted a court security conference with 85 participants. In March, the Committee sponsored "Identifying Stress and Improving Performance in the Courts." In April, May, and June, the program was "The Public, The Media, and You," with instruction on dealing effectively with the public. The Committee also co-sponsored the Court Technology Conference, described on page 4.

Mentor Program

The Court continued the Mentor Program for newly-elected judges, now in its third year. This year, 33 judges-elect were paired with experienced judges to assist them in making the transition to the bench.

Continuing Legal Education Consortium

In 1989, the Supreme Court, the Attorney General, and the Legislative Service Commission established a consortium to develop a curriculum of continuing legal education courses for government attorneys. In 1990, the consortium was expanded to include other state agencies. Eleven courses were offered in 17 sessions, with a total of 32 hours of credit. Courses were offered at no charge.

Legislative and Governmental Relations

The staff of the Supreme Court continued to monitor legislation in the 118th General Assembly. The staff cooperated with judges and members of the General Assembly in the creation of 16 new judicial positions in the courts of appeals and courts of common pleas.

Amendments to implement recommendations of the Supreme Court Committee to Study the Impact of Substance Abuse on the Courts were drafted for inclusion in comprehensive drug legislation. These amendments were supported by representatives of the Ohio Association of Juvenile and Family Court Judges and were enacted as part of Amended Substitute Senate Bill 258.

The Supreme Court participated in the evaluation of pilot grant proposals submitted under a program established in Amended Substitute Senate Bill 258. These proposals, which addressed substance abuse problems in regions of the state using an approach that involved the criminal justice, treatment, and education communities, were reviewed by a committee consisting of judicial, legislative, and executive branch representatives. Recommendations were then submitted to the State Coordinating Council, which awarded six pilot grants that addressed needs in 11 counties.

The staff worked closely with the General Assembly and the Ohio Municipal League to develop legislation pertaining to educational requirements for mayors who conduct mayor's courts. The General Assembly, in Amended Substitute Senate Bill 131, asked the Supreme Court to adopt rules prescribing these requirements and formed the Mayor's Court Education and Procedures Standards Advisory Committee, discussed on page 14, to assist the court in developing these rules.

The Court completed the transfer of responsibility for the promulgation of the child support guidelines to the General Assembly. Statutory guidelines were enacted, effective April 12, 1990.

Trial Court Performance Standards

Ohio was one of the five states selected by the National Center for State Courts to evaluate trial court performance standards as part of a three-year project funded through grants from the State Justice Institute and the Bureau of Justice Assistance. The general division common pleas courts in Hamilton, Meigs, and Stark Counties were selected as test sites; Wayne County Common Pleas Court will also participate. The courts will test 22 performance standards in the following areas: access to justice; expedition and timeliness; equality, fairness, and integrity; independence and accountability; and public trust and confidence.

Affidavits of Disqualification

The Ohio Constitution and state statutes authorize the filing of an affidavit of disqualification as a procedure for requesting removal of a judge from responsibility for a case on the grounds of bias, prejudice, or interest.

There were continuing efforts to improve the administration of affidavits of disqualification, and the average time from filing to disposition was reduced to 33 days. The number of comprehensive bench opinions issued by the Chief Justice increased, and some of these opinions will be published in 1991.

The number of affidavits filed in 1990 was 186, a 24 per cent decrease from the 244 filed in 1989. This decrease may be due, in part, to the publication of bench opinions, which provide guidance to the bench and bar, and to the improved disposition time, which discourages the filing of affidavits of disqualification for purposes of delay.

Assignment of Judges

In 1988, Guidelines for the Assignment of Judges were adopted to clarify issues related to judicial assignments and to provide an efficient and effective method for the temporary assignment of judges. In 1990, the Chief Justice made 2,400 temporary assignments of judges.

Court Statistical Reporting Section

The Court Statistical Reporting Section began operation in January. Fifteen regional training sessions were held in the spring, attended by 552 judges, clerks of court, and other court personnel from 287 trial courts. Fourteen court visits were made for further training and consultation, and seven formal presentations were made to various court-related associations.

The Section also developed a manual to support the implementation of statistical reporting rule changes. In conjunction with the Office of Court Technology and Services, a new in-house software program was developed for compiling the judicial statistical reports.

Automated Legal Research

Since 1989, the Supreme Court has contracted to provide automated legal research services for all courts in the state at substantial savings. The Court has purchased master subscriptions from Mead Data Central, Inc. (LEXIS) and West Services, Inc. (WESTLAW) that have eliminated monthly subscription fees, provided free training, and, in 1990, further reduced the hourly rate for legal research four per cent.

LAW LIBRARY

Paul S. Fu, Librarian

The Supreme Court Law Library, with more than 300,000 equivalent volumes, is the largest state supreme court law library in the nation.

The Law Library is the first state supreme court law library to install a totally integrated online library computer system - NOTIS. Installation of the cataloging module was completed in 1989, and the on-line public access catalog was installed and bar-coding completed in 1990. Of the remaining NOTIS modules, the acquisition and circulation modules are scheduled to be installed in 1991, and the serials module will be installed in 1992.

In July, the Law Library held dedication ceremonies for its online public access catalog, Supreme Court Research Online Law Library (SCROLL). In addition to speed, accuracy, and search by author, subject, title, and keyword, SCROLL can be accessed by both in-house and remote users. With the proper modem and computer equipment, lawyers, judges, and the public can have access to the system from anywhere in Ohio. More than 150 out-of-town users have registered to access the SCROLL database.

In 1990, a total of 49,334 patrons visited the Law Library. The Library added 10,396 printed volumes, 85,548 pieces of microfiche, and 422 rolls of microfilm to the collection. In addition, the Library staff responded to 27,472 reference questions.

During the 1990 term, the Reporter's Office published 354 full Supreme Court opinions, 41 abbreviated entries, and 54 miscellaneous orders and orders in chambers, for a total of 449 edited works of the Supreme Court. In addition, 402 court of appeals opinions and 26 trial court opinions were published in the Ohio Official Reports.

Supreme Court opinions, announcement lists, rules, and notices accounted for 50 per cent of the pages available in the Ohio Official Reports, up from 40 per cent in 1985. Court of appeals opinions accounted for 37 per cent of the available pages, down from 46 per cent in 1985. Trial court opinions accounted for two per cent of available pages.

The Reporter's Office, in cooperation with the Office of Court Technology and Services, continued electronic transmission to the publisher of opinions, announcement lists, rules, and notices, which reduced the time between editing and publication.

A Request for Proposals for the new Ohio Official Reports publishing contract was distributed to interested legal publishers. The current contract expires on June 30, 1991.

The Office also initiated the practice of providing the news media with brief summaries of issues to be argued before the Supreme Court.

In addition, the Public Information Office responded to more than 1,386 requests for assistance or information from the public, up from 1,100 the previous year. The Office continued an education program with The Ohio State University School of Journalism, and planned to expand the program in 1991 to include students from Ohio Dominican College.

OHIO JUDICIAL CONFERENCE

Chairman: Judge John J. Leskovyansky, 1988-90, and Judge Alba L. Whiteside, 1990-92
Executive Director: Allan Whaling

The Ohio Judicial Conference is established pursuant to Sections 105.91 to 105.97 of the Revised Code, to promote and make recommendations for improvement of the judicial system. The Conference is open to all Ohio judges on a voluntary membership basis and operates through its ten standing and thirteen special committees, and within the framework of its five member associations of appellate, common pleas, probate, juvenile, and municipal and county judges.

Ongoing committee activities included updating Ohio Jury Instructions and the Ohio Judges Resource Manual and supporting federal legislation to reinstate immunity for judges while performing judicial acts. Staff activities included working with judicial associations on state legislation affecting judges, publication of the Ohio Judge Directory and a bi-monthly newsletter, and programming for the Judicial Conference Annual Meeting.

The Conference was awarded a State Justice Institute grant to produce a series of public education videotapes on domestic relations issues. "Family Matters" will include an introduction to the court system and address mediation, domestic violence, the single-parent family, child support, and property settlements.

SECTION K

DEFINITIONS

DEFINITIONS

THE FOLLOWING DEFINITIONS ARE ADAPTED FROM THE IMPLEMENTATION MANUAL PUBLISHED PURSUANT TO THE SUPREME COURT RULES OF SUPERINTENDENCE. THEY APPLY ONLY TO TERMS THAT ARE FOUND BOTH ON THE REPORT FORMS SUBMITTED TO THE SUPREME COURT OF OHIO AND ON THE SUMMARY TABLES INCLUDED IN THE OHIO COURTS SUMMARY.

COURTS OF COMMON PLEAS, MUNICIPAL COURTS, AND COUNTY COURTS:

ADMISSION Uncontested cases terminated by admission, default, or agreement.

ADULT CASES - R.C. 2151.41 [R.C. 2151.41 repealed effective March 6, 1986, provision now contained in part within R.C. 2919.24.] Juvenile court cases brought against an adult who is the defendant accused of contributing to the neglect, unruliness, or delinquency of a minor.

ALL OTHERS Any case that cannot appropriately be recorded in a listed category.

BANKRUPTCY STAY/INTERLOCUTORY APPEAL Cases in which a bankruptcy stay has been issued or an interlocutory appeal taken. Once a bankruptcy stay is removed or the case is remanded, the case is then reactivated.

CERTIFICATION/WAIVER GRANTED Juvenile delinquency cases transferred for criminal prosecution to the appropriate court having jurisdiction of the offense. More commonly referred to as "bindovers".

CHANGE OF CUSTODY Post-decree domestic relations cases in which the court must adjudicate a motion for change of custody, including requests for change of custody based upon an election of the child as well as cases where custody is contested. Juvenile cases are included where there is an application for writ of habeas corpus involving the custody of a child, or where a motion for change of custody is filed pursuant to Juv. R. 10(A).

COURT TRIAL A case is considered terminated by court trial if judgment is rendered after the first witness is sworn.

CRIMINAL Cases in which a person is charged with the commission of an offense against a public entity.

DEFAULT Guilty pleas to the original charge in criminal cases, and cognovit judgments and default judgments in civil cases.

DEFAULT/UNCONTESTED Domestic relations cases in which there is no responsive pleading filed or the defendant fails to appear in person or through counsel.

DELINQUENCY Juvenile cases filed concerning a delinquent child, as defined by R.C. 2151.02.

DEPENDENCY, NEGLECT, OR ABUSE Juvenile cases concerning the neglected child, as defined by R.C. 2151.03; the dependent child, as defined by R.C. 2151.04; or the abused child, as defined by R.C. 2151.031.

DISMISSAL Any case that is dismissed with or without prejudice and not otherwise reported.

DISMISSALS BY JUDGE OR PROSECUTOR Before or after pre-trial conference, but prior to the swearing of the first witness, the case is dismissed by the judge or prosecutor.

DISMISSAL FOR WANT OF PROSECUTION OR LACK OF SPEEDY TRIAL Cases dismissed pursuant to R.C. 2945.73 or M.C. Sup. R. 6 for want of prosecution within the prescribed time limits. Note: This termination line was not intended to track criminal cases dismissed for want of prosecution, although apparently some criminal cases terminated for this reason have been included.

DISSOLUTION OF MARRIAGE Domestic relations cases in which a petition for dissolution of marriage has been filed pursuant to R.C. 3105.63, with or without minor children.

DIVERSION OR ARBITRATION Criminal cases where diversion has been granted after arraignment on the indictment or information, but not as a condition of a sentence placing the accused on probation.

In civil cases in which the court has adopted a mandatory arbitration rule, the referral of the case to arbitration does not constitute a termination. A case is reported as terminated by arbitration only after a report and award have been filed by the panel and the period for the filing of an appeal or exception has run.

DOMESTIC VIOLENCE Domestic violence actions filed as separate cases pursuant to R.C. 3113.31. This does not include miscellaneous matters filed in pending cases such as motions to evict.

GUILTY/NO CONTEST PLEA TO REDUCED CHARGE Criminal cases terminated by the acceptance of a plea of guilty or no contest to a reduced charge. The change of plea must occur prior to the swearing of the jury or the swearing of the first witness in a court trial.

JURY TRIAL A case is considered terminated by jury trial if judgment is rendered after the jury is sworn.

MEDIATION/CONCILIATION Domestic relations cases in which a petition for conciliation has been filed. Petition seeks to defer further action and prevents or suspends proceedings for divorce, annulment, or alimony.

MOTION FOR PERMANENT CUSTODY Juvenile cases in which a complaint or motion for permanent custody has been filed when custody is contested. This does not include voluntary placements.

OTHER CIVIL CASES Civil cases which do not fall into any of the other categories. Ancillary proceedings are not reported as cases.

PARENTAGE Cases brought pursuant to R.C. Chapter 3111., the Uniform Parentage Act.

PERSONAL INJURY Civil cases in which the principal issue is liability for, or the amount of damages to be received for, allegedly tortious conduct resulting in personal injury, including professional malpractice cases.

SUPPORT ENFORCEMENT/MODIFICATION Post-decree domestic relations cases in which it is alleged that there has been disobedience of, or resistance to, a lawful judgment of the court requiring the payment of support.

TRAFFIC Juvenile cases dealing with matters involving traffic offenders who are juveniles, as defined by R.C. 2151.021.

TRANSFER TO ANOTHER JUDGE OR COURT Cases terminated by virtue of transferring the case from one judge to another judge within the same division by an assignment of the administrative judge. This action constitutes complete divestment of responsibility by the original judge.

TRIAL BY JUDGE Contested matters terminated as a result of a hearing conducted personally by the judge.

TRIAL BY REFEREE Contested cases settled or dismissed, or in which the accused changes plea after the first witness has been sworn. This category is limited to substantive hearings held by a referee of the court.

UNAVAILABILITY OF ACCUSED PARTY FOR TRIAL OR SENTENCING Cases terminated when a defendant may be unavailable due to mental status, incarceration on other charges, or flight from custody. The mere failure of the accused to appear at the time the case is set for trial or hearing does not, in itself, authorize termination by reason of unavailability.

UNRULY Juvenile cases concerning unruly children, as defined by R.C. 2151.022.

URESA Cases brought pursuant to R.C. Chapter 3115. for Uniform Reciprocal Enforcement Support Act matters which are handled by the domestic relations or juvenile divisions, including cases initiated in Ohio and cases in which Ohio is the responding state.

VISITATION ENFORCEMENT/MODIFICATION Post-decree domestic relations cases in which it is alleged there has been disobedience of, or resistance to, lawful judgment of the court relative to child visitation rights.

VOLUNTARY DISMISSAL Voluntary withdrawal of a pending domestic relations action, for any reason, by the person who originally filed the cause or action.

WORKERS' COMPENSATION Appeals filed under R.C. 4123.519, including noncompliance actions by the state for recovery of benefits or of premiums, and mandamus actions arising from claims or awards.

MUNICIPAL AND COUNTY COURTS ONLY:

MISDEMEANORS A misdemeanor is defined by R.C. 2901.02 and Crim. R. 2 as an offense specifically classified as a misdemeanor, or an offense in which imprisonment for not more than one year can be imposed. While traffic offenses fall within this definition, they are reported as OMVI or other traffic offenses (see below), and not as misdemeanors.

TRIAL/HEARING BY JUDGE Felony cases bound over to a grand jury as a result of a preliminary hearing and other cases terminated in particular sessions by a judge.

VIOLATIONS BUREAU This category includes cases disposed of at either the Misdemeanor or Traffic Violations Bureau.
